Estate

In the heart of the Malibu Coast AVA within the Santa Monica Mountains, you will find the award-winning Malibu Rocky Oaks Estate Vineyard. At 2000 feet in elevation, with its scenic winding road, expansive Tuscan villa, and award-winning wines, Malibu Rocky Oaks Estate Vineyards has truly left its mark as the elite wine estate of Malibu.

Cabernet – 3,700 vines	Pinot Noir – 500 vines
Merlot – 1,800 vines	Malbec – 410 vines
Syrah – 1,600 vines	Grenache – 380 vines
Chardonnay – 900 vines	Petite Syrah – 325 vines
Cab Franc – 700 vines	Petit Verdot – 325 vines

Vineyard

Founded and family owned since 2003, Malibu Rocky Oaks Estate Vineyards consists of 10 planted acres on a 37-acre plot. Hand picked and meticulously maintained by the same team of professionals since conception and guided by notable Malibu winegrower Tobias and Sons, the vineyard is evolving into one of the most awarded in the region.

With unique rolling hillsides allowing abundant sunshine to reach every strategically placed varietal on the estate and a combination of warm days, cool night breezes from the Pacific Ocean and Conejo volcanic regional soil, we take advantage of outstanding growing conditions. Generally we target the harvest at four tons per acre with most of the varietals and allow the Syrah block to produce closer to five tons per acre due to its rapid growth. Because of our location and new local government rules, Malibu Rocky Oaks vineyard, estate and style of wine can never be replicated.

Malibu Rocky Oaks Wines

2011 CABERNET FRANC

Our Cabernet Franc is similar to our Pinot Noir with its smooth easy drinking style. The nose will give you a subtle hint of dried flowers and spiciness. On the palate it is medium to full bodied with a lovely sweet fruitiness that, combined with perfect acidity, evolves into an elegant finish. Lovely on its own or serve with chicken, veal, or pork chops.

216 cases produced

2012 CABERNET COLLECTIVE

When it comes to making the highest quality wine, Malibu Rocky Oaks assembled a collective team that shares a common goal: Create a wine that is nothing short of perfection without restrictions. With dark restrained fruit, medium body, aromas of plum and black currant combined with a long sophisticated finish, this wine has decades of collective winemaking patience and experience. Savor as a standalone or pair with grilled steaks or rack of lamb.

5,000 cases produced

2012 CABERNET SAUVIGNON

Dark fruits like black currant (cassis) and blackberries emanate from the glass. The initial impression is one of intense fruit, developing into a complex, layered wine thanks to the long, smooth finish. Pairs well with grilled steaks or rack of lamb.

Silver Medal - 2013 International Eastern Wine Competition

372 cases produced

2012 CABERNET SAUVIGNON RESERVE

Each year our reserve is inspired by the blackbirds that stalk the hand picked vineyard during the autumn harvest. It is estate grown and blended from a marriage of specific vineyard blocks that produce our most exceptional fruit. With a mix of Cabernet, Cabernet Franc and Merlot, its nose begins with jammy blackberries and hints of vanilla, followed by full body and perfect acidity. This wine can be savored as a standalone or paired with your favorite grilled meats and barbecued foods.

Malibu Rocky Oaks Wines

2012 CHARDONNAY

This Chablis-style, stainless steel Chardonnay is a classic example of what people love. Tropical fruits (pineapple and lemon) are bountiful on the nose. It is quite full bodied with great fruit in its attack. This is followed by perfect acidity that allows the creamy texture to evolve gracefully. The long finish tapers elegantly for several seconds. The acidity of this wine will hold up to any rich sauce making each subsequent bite as good as the first bite.

100 cases produced

2012 CHARDONNAY COLLECTIVE

When it comes to making the highest quality wine, Malibu Rocky Oaks assembled a collective team that shares a common goal: Create a wine that is nothing short of perfection without restrictions. Buttery and creamy, with medium body, green apple aromas, and an exceptionally smooth crisp finish, this wine has decades of collective winemaking patience and experience. Savor as a standalone or pair with seafood and rich cream sauces.

5,000 cases produced

2012 CHARDONNAY RESERVE

Our Chardonnay Reserve is the creamy and buttery, oak-barreled version of our famous Chardonnay. Full bodied with a nose of tropical fruits and vanilla crème brûlée, combined with perfect acidity, give it a long, smooth finish. Enjoy on its own or paired with seafood like shrimp, crab or lobster as it cuts through the richness of cream sauces.

100 cases produced

2012 MERLOT

One of our signature wines, this Merlot has hints of dark berries like plum and red currant on the nose. On the palate, a rush of flavors makes it fruit forward, medium bodied, soft and fleshy with instant appeal. Pairs well with grilled meats and barbequed salmon.

Gold Medal - 2014 San Francisco Wine Competition

216 cases produced

Malibu Rocky Oaks Wines

2012 PINOT NOIR

Our Pinot Noir is deep and colorful, with a medium to full body while revealing intense black cherry fruit in its attack. The mid palate evolves with deep layers of flavor, thanks to its juicy acidity which creates a lovely, lengthy finish. This easy-drinking wine will accompany both delicate fish and fowl nicely.

*Silver Medal - 2013 San Diego International Wine Competition
120 cases produced*

2012 RED WINE (360)

Inspired by our famous 360-degree views and vineyards surrounding the estate, this full-bodied red wine is blended from the most flavorful Rhone red varietals grown this year resulting in plush dark fruits, soft palate feel, good tannin structure and an elegant finish. This lovely blend embodies the true taste of 360 degrees of Malibu Rocky Oaks Estate. Enjoy as a standalone or with your favorite grilled meats. Made from a unique blend of Syrah, Grenache, Malbec, Petit Verdot and Petite Syrah.

2011 ROSÉ OF CABERNET SAUVIGNON

Our dry, crisp and refreshing, balanced, medium bodied Rosé wine of Cabernet Sauvignon opens with a nose of refreshing essence of strawberry and cream cherry. The mid-palate dances with a tantalizing combination of bright citrus, peach and apricot. The perfect acidity of this wine allows for unlimited food pairing possibilities, including salmon with a white wine ginger reduction sauce and spicy chicken satay.

79 cases produced

2010 SYRAH

Our Syrah consistently wins medals because of its intense rush of black fruits reminiscent of blackberries and blueberries. The nose has hints of black pepper, mint and eucalyptus. On the palate you immediately experience intensely fruity flavors with full body and perfectly balanced acidity. Pair with game birds and grilled steak.

*Gold Medal - 2012 San Francisco International Wine Competition

Weather and Growing Notes

2010

Temperatures were below normal for much of the year. Above-average winter rains were followed by a cool spring that, surprisingly, provided an above-average sized crop. Summer was also relatively cool but a significant heat spell in September helped our ripening and, in the end, our wines are exceptional upholding the quality for which we are known.

2011

The year started with a wet winter with rain carrying into the spring. Normal bud break occurred in late March, and was followed by a cool spring. Summer was warmer than 2009 and 2010, but not quite as warm as normal. Essentially there were no major heat spells that are sometimes common in southern California. Hang time was good and ripening was just right, resulting in a high-quality, bountiful harvest.

2012

The 2012 growing season was for the most part perfect. Winter provided sufficient chilling temperatures but fell a little short in the rain department. The spring and summer provided plenty of sunshine and warm temperatures. Extreme heat was minimal. The fruit ripened well with excellent hang time.

2013

2013 was an excellent growing year highlighted first by one of the driest winters on record. Spring was warmer than normal. Summer was warm as well leading to a harvest several weeks early. Hang time was normal due to an early bud break and bloom. Quality was excellent with minimal growing and pest issues.
